

How Many Are in the Igloo?

How many penguins can you count in each igloo?

Use the boxes to help you count and write the total amount in each box.

The image shows four igloos arranged in a 2x2 grid. Each igloo has a yellow door and a purple square box above it for the total count. The igloos contain penguins in a grid format:

- Top-left igloo: 8 penguins in a 4x2 grid.
- Top-right igloo: 16 penguins in a 4x4 grid.
- Bottom-left igloo: 10 penguins in a 5x2 grid.
- Bottom-right igloo: 8 penguins in a 4x2 grid.
